Tina Brindley

tina.brindley@thermofisher.com

Thermo Fisher is the world leader in serving science. With a commitment to quality, scientific excellence, and an exceptional client experience, our Patheon contract drug development and manufacturing services make us a leading provider for pharma clients of all sizes.

Many global pharma, biotech, and specialty pharma companies rely on our contract drug development and manufacturing services to help meet their growing demand and bring new drugs to market more quickly.

For assistance, please feel free to reach out to our reception team or Tina Brindley with your questions and requests. Contact information is listed in the left column.

Thank you for visiting, and we look forward to working with you.

Visitor rules

- All visitors must sign in and out at security or the reception desk and wear a visitor's badge at all times.
- All visitors must reverse park into a visitor's parking space located opposite reception, display a visitor badge from their mirror, follow the one-way system, and adhere to the 10 mph speed limit.
- All non-Thermo Fisher staff and visiting clients must be escorted by a Thermo Fisher employee at all times.

Area attractions

The City of Bath – A World Heritage Spa City

Built for pleasure and relaxation, the beautiful city of Bath has been a well-being destination since Roman times.

You can visit and bathe in the modern Thermae Bath Spa which houses the only natural hot springs in Britain.

Quick, easy and direct rail line from Swindon.

Stonehenge / Avebury

Stonehenge is the world's most famous prehistoric monument; the first henge was built around 5,000 years ago.

Avebury is a Neolithic henge monument containing three stone circles around the village of Avebury. The village of Avebury boasts a great pub for food, and the henge has an interesting gift shop.
